Automobile Loan Payment Vacation Request

Yes, I want to skip my next payment on my NIHFCU auto loan (permitted on qualified loans only).

Payment Vacation Amendment to Auto Loan Agreement:

1. I want to skip my next auto loan payment. I understand that I will need to make up the payment skipped.

2. I understand that if I make only minimum/scheduled payments, skipping a payment **will delay the payoff of the loan and result in additional finance charges**.

3. By signing this amendment to my auto loan agreement, I authorize you, NIH Federal Credit Union, to extend the payment schedule.

4. I understand that it takes **5 business days** from the day you receive this request to implement the skip payment request. For example, if I want to skip my payment due July 1, 2016, NIH Federal Credit Union must receive this form no later than June 24, 2016 (5 business days before the date of the payment that I want to skip).

5. I understand that I cannot skip a payment on any auto loan I have had with NIH Federal Credit Union with less than 11 consecutive months of on-time payments.

6. I understand my auto loan must be paid up to date and I cannot otherwise be in default under my auto loan or any other loan I owe to NIH Federal Credit Union as of the date of this request.

7. Except for the change in the payment schedule resulting from this request, all of the terms of my auto loan agreement remain the same.
