Credit Report Authorization

I give NIHFCU permission to obtain my credit report from one or more consumer reporting agencies for the following purposes:

(a) To review my report with me to confirm the report's accuracy and determine whether there may be actions I can take that might improve my credit score; and

(b) To determine whether the NIH Federal Credit Union might be able to offer me credit products with more favorable interest rates, lower payments or other more advantageous terms than credit products I currently have.

I understand that there is no fee for the credit report, and that NIHFCU will review my report with me but cannot make any guarantees that that I will be able to improve my credit score or qualify for NIHFCU loan products.
